

MISSISSIPPI STATE UNIVERSITY

THIS CERTIFIES THAT

BRADLEY HANSEN

Has been selected to receive the

2017 Construction Materials Research Center

Teaching Assistant Award

This award carries with it a financial supplement of \$1,000 and is for the Spring 2017 academic semester of January 1 to May 15. This award was made possible by equal contributions from the Mississippi Asphalt Pavement Association (MAPA), Mississippi Concrete Industries Association (MCIA), and Mississippi Road Builders Association (MRBA).

Isaac L. Howard

Materials and Construction Industries Chair

Dennis D. Truax
