

2019 ASCE MS Section Scholarship Recipient's

The Mississippi Section of the American Society of Civil Engineers (ASCE) is an organization dedicated to the advancement of the profession of Civil Engineering. The Department of Civil and Environmental Engineering would like to recognize two outstanding students that recently were awarded a 2019 ASCE MS Section Scholarship; seniors Ms. Anna Norris (left) and Mr. Brian Batinick (right).

Ms. Anna Norris has received many awards and honors throughout her attendance at Mississippi State University. Some of those include: Secretary of Mississippi State Universities chapter of ASCE, MSU Civil Engineering Department Award and Phi Theta Kappa Honor Society Member. Ms. Norris is also a part of extracurricular activities, such as: Concrete Canoe member and co-captain, ASCE officer and member, and Vice President of ECCCE Engineering Club. Ms. Norris' future plans are to take the FE exam and graduate December 2020.

Mr. Brian Batinick has received many awards and honors throughout his time at Mississippi State University. Some of those include: Presidential Scholar, Tau Beta Pi Engineering Honor Fraternity Inductee and Academic Excellence Scholarship Recipient. Mr. Batinick is involved in extracurricular activities, such as: Engineers Without Borders Social Chairs, volunteered to teach English while in Spain and volunteered for four months to construct an on-campus community garden. Mr. Batinick's future plan is to obtain a master's degree in Structural Engineering, upon graduation.
